- Embrace our learning culture and demonstrate ongoing commitment to professional development to enhance knowledge and skills

Perks

- Competitive pay rate
- Group benefits

- Pension
- On-site parking

Company Profile

Our client is Canada's largest trusted provider of independent surgical and multi-disciplinary medical centres across Canada. Working in close collaboration with hospitals, insurance providers, provincial and regional health organizations and workers' compensation boards, they deliver high-quality care across Canada meeting the needs of patients, while alleviating capacity pressure on public health systems.

Vaccines (COVID-19 and others) are a requirement of the job unless you have an exemption on a medical ground pursuant to the Ontario Human Rights Code.
